CABLE CART

Keep your cables organized, accessible and visible, and transport them easily, with our clever Cable cart. Part of our modular system, this cart allows multiple configurations in terms of height and length. Sturdy cable forks are placed over support profiles to create hanging space for your cables.

KEY FEATURES

Adjustable design

Part of our modular system, you can build a Cable cart step by step with your desired configuration and adjust it when needed for each event.

Preserve cables lifespan

The wider forks provide a bigger bending radius and stop cables from getting tangled, thus preventing damage to your equipment.

Versatile height options

Pick the 183 cm height for easy transport in a van or through low doorways, without losing storage space.

TECHNICAL DATA

1 CHOOSE SIDE PANELS

Slim-line panel set with centre bracket

Heights available:	110 cm	183 cm	203 cm
Article code:	WAFSS11B	WAFSS15B	WAFSS21B
Material:	steel		
Finish:	powder coated		

* boltset included

2 CHOOSE LENGTH PROFILES

Length profiles set of 4

Lengths available:	80 cm	160 cm	210 cm
Article code:	WALPSL080	WALPSL160	WALPSL210
Dimensions mm:	773 x 20 x 40	1588 x 20 x 40	2073 x 20 x 40
Material:	steel		
Finish:	powder coated		

3 CHOOSE CASTORS

Castors set of 4

Sets available:	2 x Swivel with brake 2 x Swivel no brake	4 x Swivel with brake
Article code:	WACS100B	WACS100A
Max load*:	200 kg per castor	200 kg per castor
Diameter mm:	Ø 100	

Sets available:	2 x Swivel with brake 2 x Swivel no brake	4 x Swivel with brake
Article code:	WACS125B	WACS125A
Max load*:	220 kg per castor	220 kg per castor
Diameter mm:	Ø 125	

*The Max load is determined according to the applicable standards and guidelines.

4 CHOOSE SUPPORT PROFILES

Cable support profiles including fork set

Lengths available:	80 cm	160 cm	210 cm
Article code:	WAM2N080	WAM2N160	WAM2N210
Material tube:	aluminium		
Material fork:	steel		
Finish fork:	powder coated		
Dimensions mm:	695 x 50 x 50	1497 x 50 x 50	1997 x 50 x 50

* 2 x Meatrack fork set 50 mm with bolts included

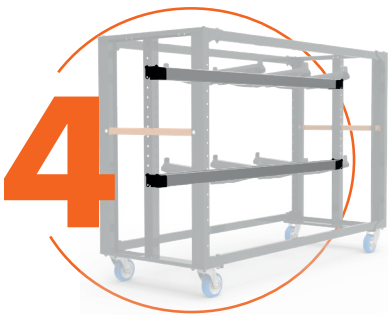

5 CHOOSE CABLE FORKS

Cable fork including screwset

Article code:	WAM2N550
Material:	steel
Finish:	powder coated
Dimensions mm:	550 x 75 x 110

* each cable fork has a max load of 50 kg, 25 kg on each side

** bolt size: M5
